

Complete Street Project

Activities of the village Department of Public Works for the period of Aug. 10 through Sept. 8 were reported last week to the Dansville Board of Trustees by

Kids Camp Real Winner at Show

Many awards were presented at the Kennedy Farm Riding Club's horse show Sept. 6 — but the big winner was the Genesee Valley Roatry Camp for handicapped children. The event netted \$3,000 which will be used to help operate the camp next summer.

A large crowd was on hand for the benefit event which attracted upwards of 80 riders. Several donated items were given away in fund-raising action, ranging from ice cream to horse feed, gas cans, tape measures, salt blocks and dry cleaning certificates. The club extended thanks to the donors and other sponsors.

The program started at noon with the grand entry and Scott Pearson won the prize as the best dressed. Following were three classes for pee wee, junior and open in 15 events. Six ribbons were given in all classes plus a pay-back of 50 percent to the top three places in junior and open classes.

Grand champion riders of the day were C.J. Baylor, pee wee; Shane Kuhn, junior and Loraine VanCastle, open. Grand champion riders for the year were Baylor, Kuhn and Scott Kimble in the open class.

The club's final show of the year will be on Oct. 4.

Air Force Cites Woman with Medal

Newly-promoted Air Force Senior Airman Tammy R. Van Dame, daughter of Barbara R. Weirich of Dansville RD 4, has been awarded the Good Conduct Medal in West Germany.

The award was presented for exemplary conduct while in the active service. Van Dame is a public affairs specialist with the 316th Air Division.

Fishing

Area Historical Museum. Discussed will be community preservation, Main Street revitalization, farmland preservation and other topics. Mrs. Burdick made a request for board representation at the session.

•Authorized the Cropwalk program to be Oct. 18 starting at 1 p.m. at Central Park. The permission was requested by the Rev. Paul E. Shoop, pastor of St. Paul's Lutheran Church.

•Authorized the police department to install "no parking here to corner" signs at the intersection of Clara Barton and Washington Sts. The temporary signs are to be replaced during each of the home games of the Dansville Mustangs at Clements Field. Requests for the signs were made by Michael Bradley, a resident of the neighborhood, and John J. Weidman of Dansville, a member of the Livingston County Traffic Safety Board.

•Accepted the recommendation of the traffic safety board and authorized installing curve warning signs on Morse Street.

Received a letter from the state Department of Environmental Conservation on its June 16 inspection of the village sewer treatment plant noting the need for correction of irregularities.

•Appointed Donald Hamler as a motor equipment operator for the streets department replacing Ronald Didas who was transferred to another position.

Superintendent Keith Petti.

He noted that during the month the streets department had completed the top soil work and its share of the Maple Street reconstruction work. The project included installation of storm sewers, which, following recent rainstorms, were reported "to be working adequately."

Repair of the village's street sweeper will be completed. Petti said Streets Department Foreman Brad Chapman was able to locate needed parts for the machine at a cost of \$85 instead of the expected cost of \$450.

A new truck for the water department has been received and placed into service, Petti stated. He added that a second truck for the streets department is expected to be delivered this week.

The DPW superintendent reported that paving of North Elizabeth and Cottage Streets have been completed with both jobs being done within the projected tonnage of blacktop "and should be within budget."

"This leaves only Milton and West Liberty Streets to be paved," projects that are expected to be done by the end of the current month he said, adding, "We will, over the few weeks, be returning to our paving jobs to complete some shoulder work."

Regarding sludge disposal at the village sewer treatment plant, Petti noted the community will be in "good shape" this fall and as it enters the winter season. He said excess sludge has been removed from the plant and employees are continuing disposal on local sites

STRENGTHEN YOUR FAITH

Through Regular Church Worship

THE CHURCH DIRECTORY

A Weekly Publication of Services in Dansville & Surrounding Area Churches

THE ENCOURAGEMENT OF FAITH PROTECTS OUR CHOICE OF IT

The very freedom provided by the laws that govern our lives also gives us the right to argue about just what this freedom entails, and how far we may go with it without destroying its very purpose. For example, the laws of God as set forth in the Bible were the prototype of the ones by which we live today, which guarantee among other things the right to choose our religion (or the absence of it, for that matter). Therefore, it is ironic that there is a continuing fear that any attempt to encourage prayer could lead to the imposition of a state-mandated religion. However, this can never happen as long as that historic piece of paper known as our Constitution stands in the way of any such action. So continue to attend your House of Worship, which you chose for yourself, thank God for this right, and do everything in your power to preserve that document which gave it to you.

Every man must be protected in worshipping God according to the dictates of his own conscience. —George Washington

"We know that the law is good, if a man use it lawfully." —1 Timothy 1:8
